

## 2018 Suri Network Summer Symposium Online Auction

Thank you so much for donating an item to our first ever online auction! Your donation will help the Suri Network continue its work of promoting and preserving our beautiful suri alpacas - and we hope that your item's exposure during the auction will help drive new and interested customers to your farm and/or online store.

Donated items may be **physical or experiential** (e.g., a day at the farm, a weaving lesson, etc.) **Minimum retail value for donated items is \$20** - there is no maximum, although large ticket items may be moved to the Symposium live auction at the Network's discretion. Should an item be moved to the live auction, it will receive recognition in the Symposium program, and the donor will also be listed as an online auction sponsor.

**All donors will be credited as sponsors of the auction** with their logo included on the front auction page (your logo will be a live link to your farm or store page). Items or cash donations valued at \$20-\$100 will include Bronze Sponsorship; items valued at \$101-250 include Silver Sponsorship; items valued at \$251-500 Gold Sponsorship; and items valued at more than \$500 include recognition as Platinum Sponsors.

**The auction will go live at noon Mountain Time on July 18th**, and all items will close on or before noon Mountain Time on August 3 (during the Symposium). ALL bidding will be online or mobile only - there will be no bid sheets at the Symposium. Once the auction has opened, you can view your item and the rest of the auction at <https://www.biddingforgood.com/surinetwork> on the web or at <https://bforg.com/surinetwork> on your mobile device. Please share widely when the time comes!
